Dear Sir/Madam

**KATINGAN RIA COAL PROJECT – COOPERATION AGREEMENT WITH
NEIGHBOUR JATENERGY – SUPPLEMENTARY INFORMATION**

Referring to the announcement released on 17 March 2014, Realm Resources Limited confirms that the information contained in the announcement was prepared and first disclosed under the JORC Code 2004. It has not been updated since to comply with the JORC Code 2012 on the basis that the information has not materially changed since it was last reported.

For further information please contact:

Richard Rossiter (Chairman) or Theo Renard (FD) on +61 2 8249 4542 or visit the Company's website at <http://www.realmresources.com.au/>

About Realm

Realm's strategy is to create shareholder value through exploration and development of bulk commodity projects, primarily in coal. In addition, the Company has platinum group metals, advanced exploration projects and an aluminium dross treatment plant in South Africa.
